

Changes made to the HUD Form 27054: LOCCS VRS Access Authorization Form

The changes to the form HUD-27054 Form are noted below:

- **Instructions Section at the top of form:** added “resend user ID” for users who have forgotten their ID
- **Section 1:** added item #9, “Name Change” so users will be able to request their name to be changed
- **Section 5c:** removed “S” = Project Setup and “A” = Admin. Drawdown. These roles are no longer available.
- **Section 9:** added the following fields: Program Point of Contact’s Name (last, first, mi) Print or Type; Office Telephone Number, Title, E-mail Address
- **Instructions section on page 2:** added link to the LOCCS Program Codes in item #5. Also added item #9 “Program Office Validation”
